May 2016

The Great Edward Heneage Bake Off

As part of our project week celebrating The Queens birthday we are hosting a family Bake Off competition on Friday 10th June. Further details will follow however this is the ideal time to get searching for recipes to bake a cake fit for the Queen. There will be prizes for 1st 2nd and 3rd place winners and the children will be looking forward to sampling your goodies at our street party in the afternoon.

Uniform

As last year, we will be providing a free blazer to each pupil ready for September.

We have also found a cheaper company to supply most of our uniform. For a preview go to tesco.com/ues select the local authority North East Lincolnshire and find Edward Heneage. Items can be ordered online or we can do this on your behalf. You will need a v-necked jumper, white shirt and black trousers/skirt/dress. The house colour tie and PE T-shirt will still need purchasing from the school office since Tesco could not beat or match the current price. Other items on the website are optional. Order forms will be coming out to you after half term.

Rear gate and carpark.

Can I please ask for your help and awareness in keeping our children safe, particularly at the end of the day. There have been several incidents of dangerous driving, parking and turning and children being unsupervised. Further incidents may result in having to keep the rear carpark gates closed leaving pedestrian access only. Thank you for your understanding and support.

Trips, visits and residentials

Next half term is a very busy time in school. We have many exciting trips, visits and some overnight residentials planned for your children (see overleaf for dates).

We may be asking for parent volunteer helpers for some of these events. I am extremely grateful to all of those who regularly support in this way, we couldn't do it without you, and if any other parents/grandparents fancy joining in please let your child's class teacher know of your availability.

E-safety day - parent session

Tuesday 12th June is our E-safety day. All pupils will have fun lessons reminding them of the full importance of keeping themselves safe when using technology and/ or from the threat of radicalisation. I know from numerous conversations that this is something of great concern to many of you so have arranged for a parent information, question and answer session at 3:20pm.

Academy staff will be on hand to supervise your children whilst you attend the workshop. I look forward to seeing you there.

Shared learning afternoons

The shared project afternoons where you can come into the academy to work alongside your child kick start again after half term, please check the dates overleaf.

Training day- reminder

Please remember that we will be taking our remaining additional staff training day on **Friday 8th July 2016**, meaning we are closed to pupils on this day.

Parent coffee drop ins

Don't forget you can drop in to join us for a quick informal chat and coffee on Mondays and Fridays from 2:45pm in the community room.

Wishing you all a super half term
