Friday 22nd January

How to trap a seal

Are you mesmerised by a seal? ✓
Would you like a picture of a seal? ✓

What you need

- Seaweed
- Net
- Shovel
- good camera

Instructions

First, dig a hole for the seal.
Next, gather the seaweed.
After that, put the seaweed in the hole.
Then, get the net ready for the target.
Now, lower the seal with seaweed.
Finally, get ready for the camera.
Beware you don't get caught!
rf Remember, tall ascenders.
